(divert your Australia Mobile Number to this number via your handset)

Sim2China pack SN.

China Unicom Mobile Number

Date leaving Australia (DD/MM/YYYY)

Date return to Australia (DD/MM/YYYY)

3. DECLARATION

I'd like to receive my Australia mobile incoming calls in China by using the China Unicom mobile number provided during my travel period as above.

By signing this form I declare that the information I have given on this form is true and correct and **I agree** my application for the Service(s) are subject to the terms and conditions on the flyer provided and on www.etel.com.au, which I have read and understood, and is legally bound and effective from the date below. **I declare** that I have a contractual right to the Mobile Service Number and am authorised to request diverting the Mobile Service Number to the China mobile number above. I acknowledge that I have been advised by an E.Tel representative that: It is my responsibility to divert my Australian mobile number above to the fixed phone number provided above in order to receive all my Australian mobile incoming calls within the days applied and also acknowledged that I have to cancel the diversion feature on my return to Australia. I acknowledge that I must have enough credit for the use of mobile service in China provided by China Unicom (NOT by E.Tel directly) at any time, to continue this e.Roaming solution service.
