Each month 1GB gives you the freedom to :

- Surf the web for 100 hours AND
- Download 50 music files AND
- Watch 25 two-min video clips AND
- Send and receive around 1000 emails

For reference only, based on the following assumptions; 25KB per email, web browsing per hour 4MB, music download 4MB per track & 2 min clip/video 8MB. It is highly recommended you use a proper tool/programme to monitor your data usage.

### **terms and conditions:**

1. Available to credit approved customers in Optus 3G/HSPA coverage areas. 2. Payment by Direct Debit only. Minimum total cost over 6 months is monthly fee x 6. Early termination will cost you the monthly fee x the remaining month/s and all outstanding fees. 3. Initial term begins from the date your service is connected. The monthly fee is charged in advance every month. Your monthly fee and data allowance of your first calendar month bill will be adjusted on a pro-rata basis. Exceeding data allowance will be charged at \$0.10/Mb. 4. You are responsible to monitor your own usage to avoid excessive spending. 5. A \$35 fee applies when changing plans within the term and will be effective from the first day of the following month. 6. We reserve the right to immediately suspend any users with abnormal unpaid usage. 7. Once your contract expires, your service will continue on a monthly basis according to your existing plan until we've received written notice of your cancellation. You may terminate your service at the end of any month after the initial term providing two weeks prior notice. 8. A \$50 charge is incurred for reconnection/re-activation. \$20 service activation fee applies to a non-contracted user. Please call 1300 38 35 88 or visit [www.etel.com.au](http://www.etel.com.au) for more information.
